About Project

Nestled as an annexure to its older peers Smilee Anandavana Phase I and II, Green woods though small is a crown in the jewel of villa plots. Green woods offers a small exclusive community where you can weave your dream home. A home far enough from the hustle and bustle yet close enough to all the niceties of cosmopolitan life

About Blue Valley

A premier organization in the field of construction, Blue Valley Properties Pvt. Ltd. is a full spectrum company that touches on its value chain all the sectors in construction such as Residential, Institutional, Commercial and Industrial areas.

Our strategic understanding of the evolving mind scape of today's home-seekers is what turns our properties into the best investment opportunities and dream properties on offer.

Uncompromising commitment to excellence, reliability and strict adherence to delivery schedules has made it possible to establish Blue Valley Properties as the most sought after property in Bangalore.
